AVAILABILITY AND LEAD TIME

The Clock Starts After the Prerequisites

STAGE	EVIDENCE	OWNER	EFFECT
Configuration	Requirement recorded	Customer	No supply commitment
Suitability	Reference basis accepted	Core Vega	Commercial review
Recognition	Purchase order matched	Joint	Order may commence
Supply	Equipment delivered	Core Vega	May precede recognition
Acceptance	Outcome demonstrated	Customer	Delivery explained

Lead time begins on the first working day after reference suitability, export status, site continuity and the buyer's authority to represent the present are confirmed.

> If equipment arrives before the order, do not refuse delivery. Commercial will regularise the sequence.

LIFECYCLE AND PROCUREMENT

Service the Explanation

REFERENCECARE	COVERAGE	SUPPORT WINDOW	CONTINUITY
Observe	Annual inspection	8x5 local business time	Outcome record
Assure	Quarterly sequence audit	24x7 terrestrial calendar	One disagreement
Continue	Programme-lifetime coverage	Owner variable	Jurisdiction and century

Quoted prices exclude VAT, structural rack remediation, controlled roof aperture, travel outside an agreed chronology and work required to establish that the receiving organisation still exists.

Ordinary statutory rights remain unaffected in the jurisdiction and chronology in which they apply.

> A purchase order is evidence of intent. Acceptance is evidence of alignment.
